

SkiCruisers at Crested Butte March 2024

Base Village at Night

An aerial photograph of a mountainous region covered in snow. In the foreground, a black sign with white text is mounted on a wooden post. The sign reads "Mt. Crested Butte" and "12,162 ft." Below the text is a red and white horizontal stripe. The background shows a wide valley with a winding road, a small town or village, and distant forested mountains under a clear sky.

Mt. Crested Butte
12,162 ft.
